Versant Technologies Announces the Launch of meraevents.com – The Eventopedia, Portal Dedicated to Events and Trade Fair Industry

Think Events- Think meraevents.com

Hyderabad, Andhra Pradesh, India -- (Business Wire India) -- Monday, October 05, 2009 3:29:00 PM

Versant Technologies, announces the launch of www.meraevents.com, a web-based portal that offers information related to events and trade fair industry. It is an ideal platform for the organizers, delegates and service providers.

Internet has always played a crucial role in keeping the communication going, by providing instant, reliable and useful information for people from all walks of life. In today's world, Internet has proved to be the most important source for information and facilitated sharing of ideas, knowledge and interaction amongst various users. The corporate world largely depends on information, and technology enables the information to be available 24x7. Instantaneous and authentic information available on Internet is the key to success in today's corporate world.

Mr. Naidu Darapaneni, Founder and CEO, Versant Technologies said, "meraevents.com is a one-point source for the events and trade fair industry, bringing related information at fingertips to the organizers, delegates and service providers. It connects people from across the globe in a professional, reliable and effortless way. This is the first of its kind of portal for event & trade fair industry handling the complete solution. This should enable users to improve their personal & professional, career & business."

meraevents.com being a one stop shop offers day to day listing of events, reliable online-services including registration and payment, quick access to every aspect related to events, an active interface for all concerned and medium that saves time and costs.

Big Boon for [Organizers](#):
